

2022護理雙語教育實踐與挑戰國際研討會

2022 International Conference on Nursing Bilingual Education: Teaching Practices and Challenges

一、研討會簡介

教育部於2019年因應行政院「2030雙語國家政策發展藍圖」，推動雙語國家計畫，以培養臺灣走向世界的雙語人才、全面啟動教育體系的雙語活化為目標，並提出加速教學活化及生活化、擴增英語人力資源、促進教育體系國際化等策略。

根據教育部政策推展，本次研習會特別邀請泰國、美國、及台灣護理教育專家，分享其學校之護理雙語教育導入經驗，藉由彼此觀摩、精進與教學方法的交流過程，期能對國內全面推展護理雙語教育典範建立有所裨益。

Introduction

In response to the Executive Yuan's "2030 Bilingual National Policy Development Blueprint", the Ministry of Education promoted the bilingual national plan to cultivate bilingual talents from Taiwan to the world in 2019, Taiwan. Furthermore, it was comprehensively launching the bilingual revitalization of the education system and proposed strategies to accelerate the regeneration and living of teaching, expand English human resources, and promote the internationalization of the education system.

According to the Ministry of Education policy, this conference invited nursing education experts from Thailand, the United States, and Taiwan to share their experience in introducing bilingual nursing education in their schools. The process of mutual observation, refinement, and exchange of teaching methods is expected to benefit the comprehensive promotion of nursing bilingual education models.
